

Thank You to the Community....

Pulse Property Group's First Annual Breakfast for Breast Cancer Awareness

We made it - Congratulations! We hope you enjoyed our event as much as we did. We set our goal for our fundraiser at \$2,000 and it is with great pleasure and thanks we are able to let you know we managed to achieve this!! Thank you so much for your involvement.

As an organisation which receives no government funding, the National Breast Cancer Foundation rely solely on dedicated fundraisers and generous donors to allow them to continue their vital work.

Thank you so much for helping us move towards the goal of zero deaths from breast cancer by 2030.
